

## 24" Fully Automatic Runflat Capable Tyre Changer

**The Redback RB221PA is without doubt the most capable and popular tyre fitting machine in the Redback range.**

This fully automatic model is capable of handling low profile and run-flat tyres on rim sizes up to 24 inches. It is perfectly suitable for passenger and light commercial wheels and is also capable of changing motorcycle tyres with additional adapters. It is packed with features including a powerful pneumatic bead breaker, pneumatically controlled rear tilting column, a motorised turntable with pneumatically operated clamping jaws and a 3-way assist arm enabling you to change run flat and low profile tyres with ease.

### Included with the RB221PA Tyre Changer:

- Operation manual
- 3 way assist arm
- Pre-filter and oil lubricator
- 18" tyre lever
- Alloy wheel protection kit including
  - Plastic inserts for metal mounting head
  - Complete hardened plastic mounting head
  - Set of 4 clamping jaw covers
  - Plastic bead breaker cover
